

## The IEP Method® Essentials Training Series IEP Learning Lab #2: Creating Impact: Inspiring Self Leadership & Accountability

*Presented by: Anese Cavanaugh and Jenny Wiley | July 25, 2023 | 2:00 to 4:00 PM ET*

This lab focuses on leading and inspiring accountability (both in yourself and in others) and dives into the IEP Method and how it supports self leadership and leading others. We'll also learn skills and best practices on how to create more impact by 'being' accountability, modeling accountability, and creating results collectively by directing the energy of your workplace and employees intentionally.
